SUSPENSION OF MUMBAI FLIGHTS

04TH MAY 2021

Air Tanzania Company Limited (ATCL) regret to inform our esteemed customers and the entire public that, effective from 04th May 2021, Mumbai (India) flights are temporarily suspended until further notice. This is due to the increase of COVID-19 pandemic outbreak in India. Air Tanzania will waive all penalties on reservation changes, re-issues and refunds to affected passengers.

For further information passengers are encouraged to contact our offices through **0800110045** or your nearby travel agent for further assistance. We apologize for any inconveniences caused to all passengers and continue to request your patience during this period.
